## WORK EXPERIENCE

### Senior Analyst

eClerx Services Limited

07/2022 - Present

Pune

#### Experience

- **Developing responsive webpages:** Utilizing HTML, CSS, SASS, JavaScript, and ReactJS to create webpages that adapt seamlessly to various screen sizes and devices.
- **Designing static banners and videos:** Crafting static banners and videos through Photoshop and After Effects, ensuring visually appealing and engaging content.
- **Creating modular components:** Developing modules, molecules, and atoms from scratch to be utilized across different web pages, promoting reusability and consistency in design.
- **Writing efficient and maintainable code:** Focusing on writing code that is efficient, semantic, and maintainable, adhering to best practices and coding standards to facilitate collaboration within the team.
- **Ensuring accessibility:** Prioritizing web accessibility by making every webpage 100% accessible to everyone, understanding the importance of inclusivity in web design.
- **Utilizing version control with Git:** Managing code changes and collaboration effectively through Git, ensuring version control and tracking of modifications throughout the development process.
- **Understanding Agile methodologies:** Grasping the concept of sprints and request lifecycles as part of a team, aligning development efforts with Agile principles for efficient project management and delivery.

### Web Developer Intern

eClerx Services Limited

06/2021 - 06/2022

Pune

#### Experience

- **Developed responsive webpages:** Leveraged HTML, CSS, SASS, JavaScript, and ReactJS to create responsive webpages that adapt seamlessly across different devices and screen sizes.
- **Supported webpage launches:** Assisted the team in launching webpages catering to diverse clients and enterprise-level businesses, ensuring smooth deployment and functionality.
- **Contributed to product-based projects:** Collaborated on product-based projects deployed to multiple clients, facilitating the delivery of tailored solutions to meet varying business needs.
